now you've got me really confused!!

if we're ready to have the CAD cell meeting on 6/24 we'll do that (and no need for the 6/30 meeting)

if we're NOT ready to have the CAD cell meeting on 6/24 we'll have it on 6/30 instead (and cancel the 6/24 meeting)

that's not what I meant either don't worry. Hold both rooms until we decide which of the days to have the meeting. Or now are you saying we would have either the June meeting or the July meeting? That's not what I thought, I think we should still meet in July - but if you have reasons I'm not aware of to change that let me know :)

No, no I wasn't going to - I was going to hold both, and then we could even ask ppl at the meeting in June to see how they felt.

just to be clear, we are NOT yet changing the date, hopefully we'll know by the end of the week how we stand, we just want to reserve the room in case we need it....(so don't cancel the Th 6/24 reservation!)

Hm, no I can call the library - I'll try and reserve Wednesday, usually I'm leery of changing the date on people but with this early notice we should be fine.

So text can stay the same?

J - following up from yesterday, at the team meeting we discussed trying to keep to the Th 6/24 date but possibly moving to Wed 6/30 if need be (Th 7/1 being too close to the holiday weekend). Can you check with the library to see if the room is available Wed 6/30? Do you want us to do that for you given you're in DC?

Thx - D
